

An Invitation to Join the Girls Academy Giving Circle

The Girls Academy Giving Circle is a joint initiative of the Girls Academy and a group of volunteers. Together they are working to create a community of like-minded people who donate their time, talent and/or money to the Girls Academy Program.

We invite you to participate in this philanthropic venture by becoming part of a network of individuals who support the mission and goals of the Girls Academy Program – a program that equips Indigenous girls with tools to achieve their personal goals and become a force for change in their communities. Join us and

- Help to grow the Circle
- Meet with young women and staff of the girls' academies
- Participate in special events and social opportunities with like-minded individuals
- Receive a subscription to the Girls Academy and Giving Circle newsletters
